Hi Judy -

I hope you're doing well.

Just wanted to show you some images of our trash bin. It was burned last night and it affected the tree, the wall and it looks like the lids were burned off.

I've copied Donald and Kim from the Melrose BID here since they may be able to help us get someone to help clean up our alley.

We're really lucky that this didn't do more structural damage. A couple of months ago SportieLA dealt with a fire that was started in their trash bin.

Kindly,
Juliana
